

# DIRECTOR BIOGRAPHY

Rodger Davis

SMA Vice-Chair

Rodger spent many years in architecture and 2002 ago was MD of a London based construction company.

He qualified as a Sports Massage Practitioner in the summer of 2004 and have been a director of the SMA since December 2005. He is also qualified to practice KMI Structural Integration. At a personal level it gives him great pleasure to see SMA progression in building an excellent profession.

Rodger lives in North London and run a complementary practice with my wife, a homeopath and acupuncturist. He enjoys travel and most sports, particularly team games and racquet sports, Real tennis, tennis, squash, etc.
